

# Blissful Body Butter

#14135-2

EGel 305 provides emulsification and thickening for this cold process-able lotion. The combination of Zemea and Genecare OSMS BA provide moisturization and humectancy. The oil phase makes use of light feeling oils with Abyssinian and High Oleic Sunflower along with the Eccocert approved Schercemol SHS emollient. The formula is preserved with the natural Nipaguard SCE.

| INCI   | Trade Name                    | Function             | Percent     |
|--|-------------------------------|----------------------|-------------|
| Water  |                               |                      | 78.75       |
| Betaine  | GENENCARE® OSMS BA            | Osmolyte             | 2.00        |
