Micellar Gel

#14245-1

This gentle, refreshing micellar cleaning gel features the naturally derived GlucoTain® Pure Lux. This surfactant is sulfate free and gently helps remove dirt, oil, and make-up. Zemea helps leave the skin feeling moisturized after application and the Actiphyte™ Calendula GL shows you the type of water soluble story ingredients you can easily incorporate.

INCI	Trade Name	Function	Percent
Water			90.90
Tetrasodium EDTA	Dissolvine® 100-S	Chelator	0.10
Acrylates/Beheneth-25 Methacrylate Copolymer	Novethix™ L-10	Polymer	2.00
