

Replenish Overnight Lip Mask

#17024-1

A hydrating lip mask to restore dry cracked lips to their smooth and supple state. An exotic array of natural oils and butters including Moringa, Meadowfoam, Abyssinian, and Jojoba replenish the lips, keeping them looking plump, and protected from the elements. Castorlatum® a natural petrolatum alternative provides the base and body for this balm/mask formula while Meristant 101L gives you that high gloss/shine upon application.
