

Silky Smooth Hair Serum

#15163-1

Formula Highlights: A lightweight serum to leave hair shining, feeling soft, and resilient. SF1550 provides incredible shine while the natural emollients like Floraesters® IPJ and Plantasens® Flash 80 keep the formula from weighing down the hair. The result is a formula that restores brittle, dry hair to its natural luster.

INCI	TRADE NAME	FUNCTION	SUPPLIER	%
Dimethicone	Element 14* PDMS 200	Emollient	Momentive	78.80

TOTAL				100%

Mixing Instructions

- Combine the ingredients one at a time mixing until uniform before adding the next.
- **Please Note:** The batch will get hazy after the Floraesters® IPJ addition and clear again after the Plantasens® Flash 80 goes in.

pH: N/A

Appearance: Transparent Liquid

Viscosity: N/A

Application Instructions

- Dispense a few drops onto fingertips and gently run fingers through hair.
- Use on damp hair before blow drying for heat protection or apply to dry hair for extra luster, conditioning and frizz control.
