

# Skin Rescue Jelly Face Mask

#13130-4

This moisturizing jelly mask lets you rejuvenate your skin while in the comfort of your own home. The Genencare® OSMS BA osmolyte helps regulate water balance, Zemea® provides a rich emollient without weighing the formula down and D-panthenol 75W allows for a provitamin B5 story. The thick yet quick water breaking rheology of this formula comes from the Carbopol® Ultrez 30. Actiphytes™ allow for a botanical/folk lore story and eye grabbing artwork to be incorporated into the final packaging.

INCI	TRADE NAME	FUNCTION	SUPPLIER	%
Water				86.95

<b>TOTAL</b>				<b>100%</b>

## Mixing Instructions

---

- Add the Water, Zemea®, Genencare™ OSMS BA, and Dissolvine® GL 47-S to the main and mix until uniform.
- Slowly sprinkle in the Carbopol® Ultrez 30 and mix until material is completely hydrated (~15mins).
- Add the Actiphytes™ and TroyCare™ mixing until uniform before adding the next ingredient.
- Neutralize with the Sodium Hydroxide solution (this will cause the batch to thicken).
- Premix the fragrance with the Surfactol® before adding.
- Add color and fragrance as desired.

## Application Instructions

---

- Apply a generous layer to clean skin, avoiding the eye area.
- Leave on for 10 minutes and rinse with water or remove with a soft wash cloth.
- Use 3 times per week or as needed.

**pH:** 5.50

**Appearance:** Clear Purple Gel
