Formulations are illustrative examples and do not represent commercialized products. They have not been subjected to extensive testing and Momentive makes no representation or warranty of any kind with regard to any such formulations, including, without limitation, concerning the performance, efficacy or safety of any product manufactured using such formulations. Each user bears full responsibility for (1) making its own determination as to the suitability and legal compliance of any formulation, materials, recommendations, or advice for its own particular use, (2) identifying and performing all tests and analyses necessary to assure that its finished products based upon example formulations and/or incorporating mentioned products, materials, or services will be safe and suitable for use under end-use conditions, and (3) obtaining any necessary government or regulatory clearance, license or registration.

Any reference to a third party's materials is not an endorsement of those materials or an endorsement by the third party of Momentive materials. Momentive has not undertaken a patent or other intellectual property search on the formulations. No statement contained herein concerning a possible or suggested use of any material, product, service or design is intended, or should be construed, to grant any license under any patent or other intellectual property right covering such use or design, or as a recommendation for the use of such material, product, service or design in the infringement of any patent or other intellectual property right.

Before handling any products mentioned, review the latest Safety Data Sheet (SDS) and label for product safety information, safe handling instructions, personal protective equipment if necessary, emergency service contact information, and any special storage conditions required for safety. Momentive maintains an around-the-clock emergency service for its products. SDS for Momentive products are available at www.momentive.com or, upon request, from any Momentive representative. Use of other materials in conjunction with Momentive products may require additional precautions. Please review and follow the safety information provided by the manufacturer of such other materials.

THE MATERIALS, PRODUCTS AND SERVICES OF MOMENTIVE PERFORMANCE MATERIALS INC.
